INDONESIAN GAKESLAB
INDONESIAN MEDICAL AND LABORATORY DEVICE
COMPANY ORGANIZATIONAL ASSOCIATION

FOCUS INITIATIVE

Advocate for fair procurement of medical technologies in Indonesia

HOW WE ARE DOING THIS

We work with
stakeholders
in Indonesia

Elevate the healthcare
agenda to advocate
for exemption of
medical technology
from blanket
localisation policies

Meetings with Govt
officials to mitigate
unintended
consequences of
blanket localisation
policies

Closed door
discussions with
government and other
healthcare
stakeholders towards
a collaborative,
consultative and
balanced approach to
localisation

Policy document
endorsed by local
stakeholders to be
released in Q4 2023

OTHER INITIATIVES 2023

Supporting nationwide health information
exchange projects across the ASEAN

Shaping policies for
Halal Regulation for MedTech

Capability Building for
Ministry of Health Indonesia
