

SPOTLIGHT SOUTH KOREA

In collaboration with: KMDIA Korea Medical Devices Industry Association

FOCUS INITIATIVE

Defining a Reimbursement Pathway for Digital Health Solutions

HOW WE ARE DOING THIS

We work with stakeholders in South Korea

Collectively defining a framework for South Korean policy makers on shared learnings

Bringing together key experts in our policy round tables to share best practices from around the globe

Identifying a specific area (technology / disease) to collaborate on

OTHER INITIATIVES 2023

Accelerating access of next generation sequencing

Sharing best practices from South Korea on localisation

Connecting with the startup communities in South Korea

For more information, please contact Cindy Pelou at cpelou@apacmed.org

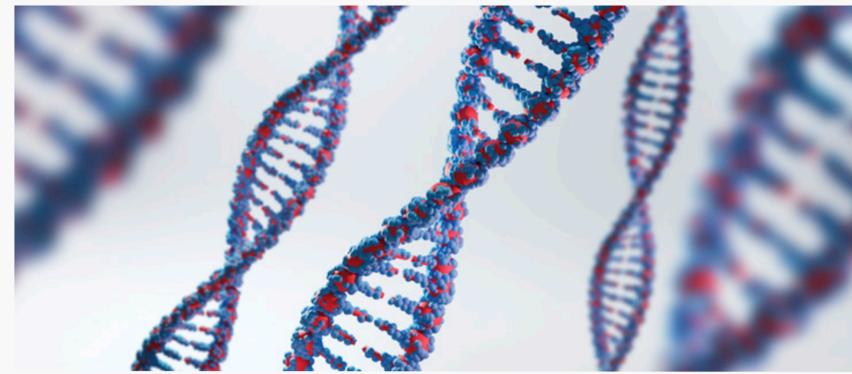

SPOTLIGHT SOUTH KOREA

In collaboration with: KMDIA Korea Medical Devices Industry Association

FOCUS INITIATIVE

Accelerating Access of Next Generation Sequencing

HOW WE ARE DOING THIS

We work with stakeholders in South Korea

Collectively defining a framework for South Korean policy makers on shared learnings

Bringing together APAC regulators in our regional round tables to share best practices on quality NGS and market access

Publishing papers on quality NGS and NGS funding and reimbursement in the APAC region

OTHER INITIATIVES 2023

Defining a reimbursement pathway for digital health solutions in South Korea

Sharing best practices from South Korea on localisation

Connecting with the startup communities in South Korea
