**MEDTECH
FORUM
INDIA** 16-17 SEPT
NEW DELHI
2025

APACMed MTF 2025

Date: 16th - 17th September 2025 | **Venue:** ITC Maurya, New Delhi

As India steps into the global spotlight as a MEDTech powerhouse, APACMed is proud to host Asia Pacific's premier MEDTech Forum in New Delhi, India on 16th & 17th of September 2025.

Across two dynamic days, we will dive deep into the most critical topics shaping our industry: Health Resilience, Access, Innovation, Patient-Centered Care and discuss opportunities for growth. This conference is a catalyst for change so don't miss your chance to be part of the conversations, connections, and collaborations that will define the next era of MEDTech in India.

This landmark forum will bring together Global MEDTech Leaders, Government Officials, Policymakers, Healthcare Providers, Regulators, and Innovators — all with one goal of "Swasth Bharat-A Healthier India Together"

We look forward to welcoming you to an unforgettable two days of bold ideas, panel discussions and breakthrough insights.

11:15 - 11:30

COFFEE/TEA BREAK

11:30 - 12:15

LEADERSHIP DIALOGUE 6: REGULATORY AGILITY IN AN AGE OF DISRUPTION

This session will explore how regulatory agility is becoming a critical enabler of innovation in the MedTech sector. As technologies like AI, digital health, and personalized medicine rapidly evolve, traditional regulatory pathways must adapt to ensure timely patient access without compromising safety. This session will feature leading regulators and industry experts as they share real-world examples of how regulatory frameworks are evolving to keep pace with disruption.

Session Moderator Daniel Moelands

Vice President, Regulatory Affairs, APAC | *Johnson & Johnson MedTech*

Panellist Dr. Muralitharan Paramasua

Chief Executive Officer, Medical Device Authority (MDA) | *Ministry of Health Malaysia*

Panellist Christopher Lam

Regulatory Consultant, Medical Devices Cluster, Health Products Regulation Group
Singapore Health Sciences Authority (HSA)

Panellist John Jamieson

Assistant Secretary of the Medical Devices Authorisation Branch
Australia Therapeutic Goods Administration (TGA)

Panellist Shri. Aseem Sahu

Deputy Drugs Controller (India), Medical Device Division
Central Drugs Standard Control Organization (CDSCO)

12:15 - 13:00

LEADERSHIP DIALOGUE 7: INDIA RISING - MEDTECH IN A NEW GLOBAL ORDER

As India cements deeper strategic and economic ties with the U.S., UK, and EU, it is rapidly emerging as a pivotal player in the future of MedTech. This session convenes policymakers, industry leaders, and global experts to explore how India's evolving trade, innovation, and regulatory frameworks are reshaping its role on the world stage. From high-value manufacturing to cross-border R&D, we'll examine how bilateral corridors can unlock India's full potential as a global MedTech powerhouse.

Session Moderator Nivedita Mehra
Managing Director | *US-India Strategic Partnership Forum (USISPF)*

Panellist Tarun Bajaj
Former Revenue and Economic Affairs Secretary, and Chairman
US India Tax Forum

Panellist Bhargav Kotadia
Chief Executive Officer | *Sahajanand Medical Technologies*

Panellist Oliver Bisazza
Chief Executive Officer | *MedTech Europe*

Panellist LaMont Bryant
Vice President, Global Government Affairs & Market Access | *Stryker*

13:00 - 14:00

LUNCH BREAK

14:00 - 14:45

Deloitte.

LEADERSHIP DIALOGUE 8: INNOVATION & CARE - A PAYOR, PROVIDER, MEDTECH DIALOGUE

As India targets Universal Health Coverage by 2030, its expanding medical device market plays a critical role in advancing equitable healthcare. This session will explore how reimbursement reforms can drive sustainable market growth and improve patient access to innovative technologies across the country.

Session Moderator Ashish Rampuria
Partner, Healthcare | *Deloitte India*

Panellist Dr. Bollineni Bhaskar Rao
Chairman and Managing Director | *KIMS Group of Hospitals*

Panellist Paul Delatore
Vice President & Global Head, Market Access | *Alcon*

Panellist Shishir Agarwal
President and Managing Director | *Terumo India*

Panellist Gurmit Singh Chugh
Chairman | *Translumina Therapeutics*

Panellist Dr. Abhitabh Gupta
Chief Business Executive | *Ace Insurance Brokers*

14:45 - 15:30

LEADERSHIP DIALOGUE 9: EXPANDING DIAGNOSTIC ACCESS ACROSS INDIA

This session will explore strategies to expand access to advanced diagnostics in Tier 2 and 3 regions by strengthening the ecosystem—enabling regulatory environment, improving IT infrastructure, workforce capabilities, and supply chain efficiencies. Discussions will focus on bridging gaps through healthcare decentralization from manufacturing to last-mile delivery to enable timely and equitable diagnosis.

Session Moderator Sumit Goel
Partner, Management Consulting, Healthcare | *PwC India*

Panellist Dr. Nivedita Gupta
Scientist G & Head Communicable Diseases (CD), Division, ICMR | *Government of India*

Panellist Saurabh Rajadhyax
